

Oriental salad

Oriental salad

For 3-4 servings:

1 kg potatoes

3 large onions, finely sliced

100 g olives

2 bell peppers, finely sliced

10-15 pickled gherkins, sliced

1 cup vinegar from the pickled gherkins

3-4 tablespoons olive oil

salt and pepper

In a large bowl mix the onions with salt, add the vinegar and the olive oil. Mix well. Set aside. The onions will soften.

Cook the potatoes (whole, don't cut them). Cut the potatoes in pieces while they are still hot. Add to the bowl and mix well. Set aside to cool.

Before serving add the bell peppers, olives, gherkins and pepper to taste.

Variation: You can add some tomatoes.
